ABOUT SINEO PACKAGING

Sineo Packaging Manufacturing Is a joint venture with AW Rostamani Group, which operates as a Dubai-based company specializing in sustainable packaging solutions.

Our company was established in 2015 with the mission to provide sustainable packaging solutions for the F&B and Retail sectors across the globe. We cater to the needs of businesses by offering a variety of eco-friendly options, including recyclable, biodegradable, and compostable materials. Additionally, our 6 flexo colour machines can fully customise and print any branding requirements that our customers may have.

ABOUT PE LINING TECHNOLOGY

At Sineo Packaging Manufacturing, we're committed to providing excellence In quality and sustainability through our state of the art PE lining technology.

Made from recylable polyethylene, PE is known for its durability and endurance for preventing leakage and damage, as well as its' environmental aspects for reduction of carbon footprint. The certified foodsafe lining provides a smooth and aesthetically pleasing surface and is available in a variety of customisable prints to suit your branding!
